於「交織而一」工作坊，你可以探索編織的藝術，與其他編織愛好者交流，創作出獨特的編織作品。除了學習編織技巧，棚仔編織工作坊也是一個社區聚集的地方。你可以在這裡結識其他編織愛好者，分享彼此的作品和經驗，並一起參與編織活動。我們相信編織不僅僅是一種手工藝，更是一種連結人與人的方式，讓我們在創作的過程中建立起友誼和共同體。

At the "Interwoven into One* workshop, you can explore the art of weaving, interact with other weavers, and create unique weaving works. In addition to learning weaving skills, shared weaving work is also a gathering of community where you can meet other weaving participants, share different works and experiences, and participate in weaving activities together. We believe that knitting is not only a craft, but also a way to connect people, allowing us to build friendship and community in the process of creation.
